KEEPSAKES

The Keepsake Certificates offer a tasteful yet economical way to honor important milestones.

These thoughtfully designed certificates are printed on 80# matte paper, giving them a high quality feel. And having an image on both sides allows for greater versatility than the average certificate. Either leave it flat as an 8 ½" x 11" frameable certificate or fold it in half for a conveniently sized keepsake. Our A3040 white envelopes are the perfect way to protect that folded keepsake for years to come. These certificates are best suited for hand written awards as the heat of a copy machine or printer will damage the ink. Sold in increments of 25.

The flowers appear on the earth; the time of the singing of birds is come
-Song of Solomon 2:12

Spring is a remarkable time. Hope can be felt in the season’s new buds and softer temperatures. Its scent reassures eager hearts as the air warms the fertile earth and the world transforms. Spring brings a welcome change from the dreariness of winter.

That change can be felt in many areas of life, including the church. Spring brings new seasons for reflection, growth, and spiritual renewal. The meditative season of Lent transforms into the regeneration of Easter. Weddings, baptisms, and graduations signal their own changes and celebrations.

Trust Anchor Wallace Publishers to provide keepsake bulletins and certificates to celebrate these transitions. Our memorable designs add the right touch, whether your church is rejoicing in the resurrection, welcoming newly confirmed members, or bidding farewell to a faithful servant. We source unique images to make our layouts stand out—look for the Exclusive Bulletin Art symbol for images you will only find on our bulletins. And we keep it all fresh with new designs in each catalog.

As we welcome spring and all its changes, Anchor Wallace continues to be constant in the one thing that matters. God’s Word remains the foundation for all our products. Let God’s message work through your ministry to bring about lasting transformation.
