

PREVAGUARD™

product **protection.**

*more to **love** with an added layer of defense for your promotion!*

Prevaguard™ products have an added layer of defense to protect the products against harmful microbes like bacteria, mold and mildew. Prevaguard™ products contain an EPA registered antimicrobial agent that is molded directly into the structure of the product to guard it against stains, odors and deterioration for the item's entire useful lifetime.

These products do not protect users or others from disease causing bacteria, viruses, or germs.
