safety & social responsibility

Koozie Group is the industry leader in product safety, quality assurance, social responsibility and supply chain security, driving industry innovation with hundreds of new products annually. Our commitment to brand safety and responsible sourcing includes C-TPAT certification, CPSIA, applicable FDA regulations, technology standards and Prop 65 compliance.

Testing

Our products are rigorously tested to confirm compliance with North American product safety laws and standards, including CPSIA

FDA Regulations

Health, Wellness and Safety products go through extensive analysis to confirm compliance with all applicable FDA regulations

Technology Standards

Tech items are tested to applicable UL, UN and FCC standards and requirements

Prop 65

The majority of product SKUs are Prop 65 compliant and do not require a Prop 65 label when shipping to California

CPSIA

All child products comply with applicable Children's Product Safety rules

BPA-Free

All plastic drinkware products are BPA-FREE

Part of a larger PPAI initiative to create confidence in promo products as an advertising medium at every level

We are C-TPAT Tier II Certified by US Customs which evidences our superior commitment to supply chain security

Applying the

KG Factor

as part of our product strategy enhances our

commitment

to sustainability

The KG Factor identifies products with a high likelihood of being kept or gifted as determined by an impartial survey of end consumers. Useful solutions that people want to keep will carry the KG Factor designation so customers can easily identify items designed to lessen environmental impact through longevity.
