Case Study

Client: clinics and health centers

Purpose: waiting room seating

As the COVID-19 pandemic spread, a nonprofit healthcare provider needed additional waiting room seating for their clinics and health centers across the state. As a nonprofit, they needed an affordable yet durable option that would be suitable for every patient demographic.

The provider chose the #45009 Captain's Chair because it could be easily collapsed and moved or stored in the included carry bag.

45009
Captain's Chair
