our brand story

Created in 2017, SCX Design is a young French company that specializes in the design and creation of innovative products as a medium of communication. We are convinced that smarter consumption habits are key to a sustainable future, and we aim to develop premium, smart and useful promotional items to develop brand recognition.

what makes us special

- **Soft-touch finish.** Most SCX Design® products are delivered with a soft-touch finish, giving them a unique and premium feel.
- **A premium user experience.** Each product comes packaged in a refined presentation set to ensure a memorable gifting experience.
- **Everything is included!** Your gift is always ready to use. Whether you are giving a power bank, speaker, or mouse pad, all the required accessories are included. The included 3-in-1 cables are made from recycled PET materials.
- **3-year warranty** (cable excluded)

Make your logo light up!

Most SCX Design® products are customizable with an illuminated logo to enhance the branding effect. Thanks to a motion sensor, the logo lights up when the item is shaken.
