sticky success... a couple of case studies

Client: environmental organization | **Purpose:** spread awareness about conserving natural resources

Client: grocery store | **Purpose:** customer appreciation

SND4A25
Souvenir™ Sticky Note® 4" x 3"
Die Cut Pad, 25 sheet
Stock Shape: Leaf

An environmental organization hosted an awareness event to educate the public on the importance of conserving natural resources. They handed out a #SND4A25 Souvenir™ Sticky Note® 4" x 3" Die Cut Pad, 25 sheet to each attendee as a take-home gift because the item is FSC-certified, a feature that is called out on the backer. Attendees were asked to use one sheet from the pad to write down why conservation was important to them. The notes, which were shaped like leaves, were then placed on an image of a bare tree at the front of the room until it was completely full and covered with leaves. Attendees loved this activity and the fact that the notepads they received were both useful and eco-conscious.

Thank You

P3A8A50
Souvenir™ Sticky Note® 3" x 8" Pad, 50 sheet

A new grocery store wanted to thank its customers for their support by giving them something useful for their shopping trips. They handed out the #P3A8A50 Souvenir™ Sticky Note® 3" x 8" Pad, 50 sheet to the first 500 people who entered the store within the first week of its opening. The notepads included the optional ruled lines so that customers could write down their grocery lists for return visits. They also featured an adhesive backing so the lists could stick to refrigerators and not get lost. The customers loved the giveaway and many of them went back to the store in the following weeks with their grocery lists written out on the notepad the store had given away.
