A college held a raffle during its annual golf tournament. Among the prizes featured were the **#26278 GCI Outdoor™ Kickback Rocker™** and the **#16140 ORCA™ 26 Quart Cooler**.

The golfers were excited about the chair because of its smooth rocking action and bagless design. They also liked that the golf balls were engineered for explosive distance while still having a playable greenside feel. In the end, the tournament was a big success, and the rockers and golf balls received the most raffle ticket entries.
