## promos in *action*

Looking to increase their bookings during the peak travel season, a travel agency ran a summertime promotion. This involved giving away 50 **KAPSTON® Town Square Duffel** bags and 50 **SCX Design® Wireless 5.0 Headphones** to the first 100 travelers who booked a trip with them. The headphones and duffel bags were on display at the agency so customers could see them and select which one they wanted. The promotion was a great success, and the company booked 100 trips faster than it ever had before!
