On opening weekend, a baseball team gave away the NEW **Koozie® Heather Collapsible Can Kooler** before their game on Saturday and the **Front Runner Cap** before their game on Sunday. The items, which were imprinted with the team's logo, turned out to be a home run! In fact, all of the can coolers and caps were given away within the first half hour of the gates opening each day. Many fans even took to social media during the games to post pictures of themselves enjoying the items.

Looking to increase their bookings during the peak travel season, a travel agency ran a summertime promotion. This involved giving away 50 **KAPSTON® Town Square Duffel** bags and 50 **SCX Design® Wireless 5.0 Headphones** to the first 100 travelers who booked a trip with them. The headphones and duffel bags were on display at the agency so customers could see them and select which one they wanted. The promotion was a great success, and the company booked 100 trips faster than it ever had before!
