## IMPORTANT SAFETY PRECAUTION

**WARNING** – When using this product, basic precautions should always be followed, including the following:

1. Read all the instructions before using the product.
2. Power bank main unit contains an internal lithium ion battery. Upon initial use or after a prolonged storage period, fully charge it once. The unit's full performance is achieved only after 2 or 3 completed charge and discharge cycles.
3. Power banks are not allowed in checked luggage on commercial airline flights. Handle with care and dispose of in accordance to local regulations. Carry-on only.
4. To reduce the risk of injury, close supervision is necessary when the product is used near children.
5. Do not put fingers or hands into the product.
6. Do not expose power bank to rain or snow.
7. Use of a power supply or charger not recommended or sold by power pack manufacturer may result in a risk of fire or injury to persons.

8. Do not use the power bank in excess of its output rating. Overload outputs above rating may result in a risk of fire or injury to persons.

9. Do not use the power bank that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.

10. Do not disassemble the power bank. Take it to a qualified service person when service or repair is required. Incorrect reassembly may result in a risk of fire or injury to persons.

11. Do not expose a power pack to fire or excessive temperature. Never store or use this product in temperatures below 32°F (0°C) or above 115°F (45°C).

12. Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.

13. Do not charge the power bank while using the power bank to charge a device. Do not charge the power bank for more than 4-6 hours and do not leave unattended.

14. Disconnect the power bank when not in use.

15. For safe air delivery of your power bank, the battery may need to be charged. Please fully charge your power bank before usage.
