Bamboo Wireless Charging Pad with Phone Stand

Features:

1. Wireless Charging Pad
2. Phone Stand
3. LED Indicator
4. USB-C Cord

Product Specifications:

- Wireless Charging Pad Input: 5V / 2A
- Wireless Charging Pad Output: DC 5V / 1A
- USB Output: 5V / 1A
- Effective Distance: 2MM

Instructions:

Wireless Charging Function:

1. Make sure your smartphone has integrated wireless capability or is equipped with wireless charging adapter.
2. Insert the USB-C USB output of charging cable (included) into the input port of wireless charging pad & connect USB output of the cable to a certified wall adapter (not included)
3. The white LED will flash once to indicate charging pad is ready to wirelessly charge your smartphone. Centre your smartphone or electronic device. A White LED will remain lit while charging.
4. To stop charging, remove your smartphone or electronic device from the charging pad and disconnect the charging cable.

Phone Stand

Place your smartphone horizontally in the slot

Safety Precautions:

- WARNING-When using this product, basic precautions should always be followed:
1. Read all the instructions before use.

2. Do not overcharge your phone. The unit may become hot under excessive use. Remove your phone once it is fully charged. Never charge your phone for more than 7 hours at a time.
3. To reduce the risk of injury, close supervision is required when the product is used near children.
4. Do not expose the device to moisture.
5. Do not use the device in excess of its output rating. Overload outputs above the rating may result in a risk of fire or injury.
6. Do not use the device if damaged or modified.
7. Do not disassemble the device. For repairs, seek a qualified service professional. Incorrect reassembly may result in a risk of fire or injury.
8. To ensure product safety, ensure that qualified service professionals use only identical replacement parts.
9. Attachments on the back of your phone can impede the effectiveness of the wireless charger, and lead to overheating. You must remove attachments from the phone before

FCC Statement:

This device complies with Part 18 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
